Nico Fara, CEO and Founder, Chief Metaverse Officer

Rika Nakazawa, Group Vice President – Connected Industry and Sustainability, NTT Ltd.

Thaisa Yamamura, Head of Business Development, Sony Electronics

Tony Wang, Chief Revenue Officer and Co-founder, Agora

The three-day event features exhibitions, keynote speeches, workshops, and networking opportunities for all attendees. Some of the topic tracks in the event include discussions on XR or Extended Reality, NFT, metaverse, blockchain, crypto, web 3.0, A.I., business, and technology.

AT&T, Magic Leap, and Qualcomm are platinum sponsors and Meta and Lenovo are gold sponsors of the event. Silver sponsors of the event include Aequilibrium, AMPD, Departure Lounge, Exploded View, and Room while some of the event's bronze sponsors include Agora, Amazon Web Services, Adeia, Atlas Space, Leia Inc., and Sify. Mass Virtual and ResMed are the event's honorary sponsors. Brands and companies such as CleanBox, Arbor XR, Cognitive 3D, Emteq Labs, Gamedriver.io, Meta, Lenovo, Sony, VR/AR Association, and more will be part of the exhibitors in this event. Coinspeaker, Cointelegraph, Mission Impact, Miami Herald, BitBasel, European Blockchain Association, Digital Innovators TV are some of the affiliated and media partners of the Immerse Global Summit Miami 2022.

About DIGITAL INNOVATORS

Digital Innovators TV is a 30-minute one-on-one interview-style show highlighting leading thought leaders actively involved in bringing cutting-edge technological innovations to life. Created by The Soho Loft Productions under The Soho Loft Media Group, each episode covers a unique trending topic and is led by a guest host who is a highly respected industry expert. Filmed on NASDAQ's Times Square Studio and in studios in Long Island NYC or online, each show is promoted using national television teasers leading up to their broadcast and are distributed via Fox Business, Bloomberg, or other channels. DSCVR and DSCVR Esports series are some of the shows under the DITV brand.
